The Company shall have the sole right, at its complete discretion, to accept or reject this application for a subscription, in whole or in part, for any reason and that the same shall be deemed to be accepted by the Company only when it is signed by the Manager and delivered to the undersigned at the Closing referred to in Section 8 Subsection A(3) hereof. Notwithstanding anything in this Subscription Agreement to the contrary, the Company shall have no obligation to issue any of the Units to any person who is a resident of a jurisdiction in which the issuance of the Units to such person would constitute a violation of the securities, “blue sky”, Patriot Act, or other similar laws of such jurisdiction.
3. The closing of the purchase and sale of the Units (the “Closing”) shall take place at such time and place as the Company may designate.
4. Payment for the Units shall be received by the Company from the Subscriber by cashier’s check, wire transfer of immediately available funds in accordance with the procedures set forth in the Memorandum (as defined below), in the amount as set forth on the signature page hereto. The Company will accept or reject subscriptions within 30 days after receipt of a fully executed and completed copy of this Subscription Agreement. If Subscriber’s subscription is rejected, Subscriber’s funds, without interest, shall be returned to Subscriber within ten business days after the date of such rejection.

B. Privacy Policy

1. In accordance with securities law requirements and Patriot Act compliance, the Company and its affiliates collect nonpublic personal information about investors from information received on subscription documents and other forms and information required in connection with a subscription for Units and information concerning Subscriber’s transaction with the Company.
2. The Company and its affiliates will not disclose any nonpublic personal information relating to current or former investors except in connection with:
 - the administration, processing, and servicing of Units;
 - services provided to the Company, such as those provided by auditors, tax advisers, legal advisers, or other Company service providers;
 - banks and other financial institutions, lenders, or providers of financing; or
 - government agencies, regulatory authorities, courts and the like.

In each such case, the Company and its affiliates’ disclosure of any nonpublic personal information will be subject to customary undertakings and requirements of confidentiality.

3. The Company and its affiliates restrict access to nonpublic personal information relating to investors to personnel of the Company and its affiliates, and other personnel covered by appropriate confidentiality requirements who need to know that information in connection with the operation of the Company, including for purposes of complying with anti-money-laundering laws, the Patriot Act, and Know Your Customer regulations.

4. The Company and its affiliates maintain physical, electronic, and procedural controls in keeping with U.S. federal standards to reasonably safeguard the Company's nonpublic personal information relating to investors.

C. Representations and Warranties of the Subscriber

As an inducement to the Company to approve the sale to the Subscriber the Units for which it has subscribed, the Subscriber represents and warrants to the Company as follows:

1. The Subscriber has received a copy of the Company's Memorandum, and has subscribed for and will hold all Units subject to the terms of the Memorandum, Purchase Agreement, and Company Agreement. The Subscriber has read and understands the Memorandum. In making this subscription, the Subscriber has not relied on any information (whether oral or written) that is inconsistent with the information contained in the Memorandum or the Operating Agreement.
2. The Subscriber has reviewed and meets the applicable investor suitability and eligibility requirements set forth in the Memorandum under "Suitability Standards". Subscriber is an "Accredited Investor" as defined by Rule 501 of Regulation D under the Securities Act of 1933, as amended (the "Securities Act").
3. The Subscriber represents that all the information set forth herein regarding the Subscriber (including, but not limited to its financial position), is correct and complete as of the date of this Subscription Agreement, and if there should be any material change in such information prior to the Subscriber becoming a member of the Company, the Subscriber will immediately furnish such revised or corrected information to the Company.
4. The Subscriber is acquiring Units for its own account for investment and not with a view to the resale or distribution thereof.
5. Investment in the Company is speculative and includes the risks summarized under "Risk Factors" in the Memorandum. The Subscriber is able to afford the risks of an investment in the Company, which include illiquidity and the potential disruption or loss of income, or principal, or both.
6. The Subscriber agrees to furnish the Company with any information, representations and forms as shall reasonably be requested by the Company or the Company from time to time to assist it in complying with any applicable law or tax requirements or determining the extent of, and in fulfilling, its withholding obligations. The Subscriber agrees to furnish the Company with any representations and forms as shall reasonably be requested by the Company to assist it in obtaining any exemption, reduction or refund of any withholding or other taxes imposed by any taxing authority or other governmental agency upon the Company or amounts paid to the Company. The Subscriber represents that it has provided the Company with a completed and executed Form W-9.
7. The Subscriber has sufficient knowledge and experience in financial matters so as to be capable of evaluating the merits and risks of purchasing Units and is able to bear the economic risk of such investment, including a complete loss. In this regard, the Subscriber acknowledges that an investment for Units will be illiquid and that there is no guarantee that the Company may offer to repurchase its Units periodically as described in the Memorandum, it is not required to do so and may limit the amounts repurchased. The Subscriber has determined that the Units subscribed for are a suitable investment. The Subscriber understands that it must bear the economic risk of an investment in the Company for an indefinite period of time and represents and warrants that it can bear the economic risk of losing its entire investment in the Company. The Subscriber understands that an investment in the Company is illiquid and there is presently no public market for Units (nor is it anticipated that any public market for such Units will develop). The Subscriber's overall commitment to the Company and other investments that are not readily marketable is not disproportionate to the Subscriber's net worth and the Subscriber has no need for immediate liquidity in the Subscriber's investment in Units.

8. If the Subscriber is not a natural person, the Subscriber is duly organized, validly existing, and in good standing under the laws of its jurisdiction of organization and has the power and authority to enter into this Subscription Agreement and each other document required to be or otherwise executed and delivered by the Subscriber in connection with this subscription for Units, and to perform its obligations hereunder and thereunder and consummate the transactions contemplated hereby and thereby, and the person(s) signing this Subscription Agreement on behalf of the Subscriber has been duly authorized to execute and deliver this Subscription Agreement and each other document required to be or otherwise executed and delivered by the Subscriber in connection with this subscription for Units. If the Subscriber is an individual, the Subscriber has all requisite legal capacity to acquire and hold the Units and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by the Subscriber in connection with this subscription for Units.
9. The execution and delivery by the Subscriber, and compliance by the Subscriber with this Subscription Agreement and each other document required to be executed and delivered by the Subscriber in connection with this subscription for Units does not conflict with, or constitute a default under, any instruments governing the Subscriber, any law, regulation or order, or any agreement to which the Subscriber is a party or by which the Subscriber is bound. This Subscription Agreement is valid and binding on and enforceable against the Subscriber in accordance with its terms.
10. If the Subscriber's subscription for Units is accepted, the Subscriber will execute and/or supply any additional documentation or information that the Company, a placement agent or the Company determines is reasonably required to determine suitability and/or eligibility to acquire and hold Units.
11. The Subscriber has read and agrees to the terms of the Privacy Notice included herein as Section 8 Subsection B ("Privacy Policy"). The Subscriber understands that all information provided in connection with the Company is confidential and proprietary and may include trade secrets and other commercially sensitive information. The Subscriber agrees that it will not disclose or use any of the information provided in connection with the Company or the subscription of Units, or permit any of its representatives or advisors to disclose or use such information, unless it has received the prior written consent of the Company.
12. The Subscriber has not ever filed (or had filed against Subscriber) a petition under the federal bankruptcy laws or any state insolvency law or had a receiver, fiscal agent or similar officer appointed by a court for your business or property; has not filed any litigation or had any litigation filed against Subscriber at any time during the last five years; is not a party to any pending litigation; and is not in the process of being charged and/or has not been convicted or had any partner in a management or principal ownership role been convicted of or charged with a criminal act or been the subject of a pending criminal proceeding (excluding traffic violations and other minor offenses). If any of the prior statements are not true of Subscriber, Subscriber must notify Company and provide details PRIOR to proceeding with an investment in the Offering.
13. The Subscriber understands that the Units have not been registered under the laws of any jurisdiction (including the Securities Act, the laws of any state of the United States of America or the laws of any foreign jurisdiction), nor is such registration contemplated. The Subscriber understands and agrees further that the Units may not be offered, resold, pledged or otherwise transferred unless they have been registered under the Securities Act and any applicable state or other securities laws or unless an exemption from such registration is available. Even if such an exemption is available, the assignability and transferability of the Units will be governed by the Declaration and this Subscription Agreement, which imposes other substantial restrictions on transfer. The Subscriber understands that legends stating that the Units have not been registered under the Securities Act and any applicable state or other laws and setting out or referring to the restrictions on the transferability and resale of the Units will be placed on documents evidencing the Units, if any.
14. If the Subscriber is a "Benefit Plan Investor" as defined in Section 4 of ERISA, which includes, for example, tax-qualified pensions, stock bonus or profit-sharing plans, employee benefit plans described in Section 3(3) and subject to Title I of ERISA, annuities described in Section 403(a) or (b) of the Code,

a Keogh Plan, an individual retirement account or annuity described in Sections 408 or 408A of the Code, an Archer MSA described in Section 220(d) of the Code, a health savings account described in Section 223(d) of the Code, a Coverdell education savings account described in Section 530 of the Code, or entities deemed to hold “plan assets” of any of the foregoing, the Subscriber has so indicated in Section 4 hereof. If Subscriber is a Benefit Plan Investor, Subscriber (i) acknowledges that (a) the person causing the Subscriber to purchase Units (a “Plan Fiduciary”) has exercised independent judgment in evaluating for itself the merits of such investment, and (b) the Plan Fiduciary has not solicited and has not received from the Company, the Company or any of their respective affiliates any evaluation or other impartial investment advice on any basis in respect of the advisability of this or any other investment in light of the plan’s assets, cash needs, investment policies or strategy, overall portfolio composition or plan for diversification of assets, and it is not relying and has not relied on any such persons for any such advice and (ii) represents that neither the execution and delivery of this Subscription Agreement nor the purchase or holding of the Units constitutes a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code. The Plan Fiduciary (i) is a “fiduciary” within the meaning of Section 3(21) of ERISA or Section 4975 of the Code; (ii) is responsible for the Subscriber’s decision to purchase Units; (iii) is capable of evaluating investment risks independently, both in general and with regard to the Subscriber’s purchase of Units; (iv) is independent of the Company, the Company and any of their respective affiliates; (v) is qualified to make such investment decision; and (vi) if the Subscriber is an “individual retirement account” or “individual retirement annuity” within the meaning of Section 408 of the Code, is not the owner of such “individual retirement account” or “individual retirement annuity” or a relative thereof.

D. Indemnification for Subscriber’s Misrepresentations or Failures to Perform

1. Subscriber shall indemnify, defend and hold harmless the Company, Manager, FSX DST Inventory Financing Fund Manager, LLC (the “Sponsor”), and all of their respective limited partners, general partners, members, managers, officers, directors, affiliates, representatives and advisors from any and all damages, losses, liabilities, costs and expenses (including reasonable attorneys’ fees and costs) that they may incur by reason of Subscriber’s failure to fulfill all of the terms and conditions of this Subscription Agreement or by reason of the untruth or inaccuracy of any of the representations, warranties or agreements contained herein or in any other documents Subscriber has furnished to any of the foregoing in connection with the transactions described herein. This indemnification includes, but is not limited to, any damages, losses, liabilities, costs and expenses (including reasonable attorneys’ fees and costs) incurred by the Company, Manager, Sponsor or any of their respective general partners, limited partners, members, managers, officers, directors, affiliates, representatives or advisors defending against any alleged violation of federal or state securities laws which is based upon or related to any untruth or inaccuracy of any of the representations, warranties or agreements contained herein or in any other documents that Subscriber has furnished to any of the foregoing in connection with this transaction.
2. The Subscriber certifies that: (i) the Subscriber’s name, taxpayer identification or social security number and address provided in this Subscription Agreement are correct; and (ii) the Investor will complete and return with this Subscription Agreement an Internal Revenue Service Form W-9, Request for Taxpayer Identification Number and Certification.
3. All representations, warranties and covenants of the Subscriber contained herein shall survive the acceptance of this subscription.
